

# 2021 Camp Evangelism Report Letter

## **Please Prepare & Submit your Report by October 15**

We are excited to hear about the Summer Camp season that has just ended. We have all worked hard doing all we can to keep camp ministry alive and thriving. Many of you have innovated new forms and functions for camp and retreat center ministries. We are excited to hear about what you have done, whether at your in-person summer camps, virtual camps, day camps, serving your communities, and the construction and maintenance projects that have accomplished.

For us to be able to give a preliminary report at the upcoming NAD Year End Meeting Executive Committee we need you to submit your report before October 15.

## **Camp Evangelism Reporting**

We are ready to collect Camp Evangelism Reports for what has been accomplished over the past year. Please review the report form and get your data together for the items listed.

You will notice that there are three areas for reporting: Summer Camp Report, Day Camp Report, and Year-around Report.

Again, we have two options for reporting:

1. Online Reporting <https://adventistyouthministries.org/ministries/camp-evangelism-report> (preferred option)
2. Hardcopy/email reporting – use the 2021 Camp Evangelism Report Form by marking your numbers to the left of each item, and email it to [TracyWood@nadAdventist.org](mailto:TracyWood@nadAdventist.org)

## **Camp Evangelism Report Availability**

At our upcoming AACP Camp Convention we will finalize and share our 2021 NAD Camp Evangelism Report. At that time we will make any final edits. We will make it available to you for sharing with your administrators, stakeholders, and management boards.

Praying for God's blessings on you and your staff,

**Tracy Wood    Armando Miranda, Jr.    Vandeon Griffin**
