**An Amazing Fact: Flowing 4,160 miles, the longest river in the world is the Nile. Its waters originate with Lake Victoria in Uganda, moving northward until they terminate in Egypt at the Mediterranean Sea. On average, the river moves at an astounding 680,000 gallons per second; that's over 10 million cups of thirst-quenching water every second!**

Dear Elaine,

Did you know that the Nile flows through two thousand miles of scorching desert—yet everything around the river is green? One of my favorite Bible verses says, *“Everything will live wherever the river goes”* (Ezekiel 47:9). Through your gifts to Amazing Facts, you send a river of Living Water every month.

I recently stood with Karen at the headwaters of the Nile in the heart of Africa. We were conducting evangelistic meetings in Uganda and we saw thousands drinking in the Bible truth! People like Victor...

### Drinking Polluted Waters

Victor's young parents first tried to abort him—then when he was just two years old, they abandoned him. He never experienced the genuine love of a mother or father, and his early life was heart-rending.

As a young adult, Victor studied different religions hoping to find purpose and belonging. He studied with Mormons, Evangelicals, Catholics, and Muslims. Then one day, he ran across the works of Anton LaVey, the founder of the Church of Satan. He read the so-called *Satanic Bible* and was convinced that it contained the keys to power and happiness. He then started a club dedicated to LaVey's teachings.

### Discovering the Source

It reminds me of the story of Jesus and the woman at the well. Like Victor, she too was vainly seeking for happiness in all the wrong places. She debated with Jesus about religion, but in His compassion, He said, *“If you knew ... who it is who says to you, ‘Give Me a drink,’ you would have asked Him, and He would have given you living water”* (John 4:10).

You and I know that Jesus is the Living Water, but the vast majority around are still guzzling down deadly water. They don't know where to find the Source of life, which is why you and I must point the way. We can lead them to Christ, the Spring of Eternal Life! *“He showed me a pure river of water of life, clear as crystal, proceeding from the throne of God and of the Lamb”* (Revelation 22:1).

### Miracles in Africa

Friend, I knew beyond a shadow of a doubt that God was leading when one of our other meetings was postponed and, at the same time, church leaders in Uganda pleaded with me to do outreach in the capital city of Kampala.

The Lord worked so many miracles on such short notice! One of the most dramatic was how He stopped the rain. Because of the large crowds, we held the meetings outdoors. And—can you believe it?—it rained virtually every day *except* during the meetings. Amen!

Another blessing came through our AFCOE Africa program. Our recent graduates in Kenya traveled to Kampala to help prepare the way for our series, doing door-to-door visits, distributing literature, and holding their own

evangelistic and health meetings. Jesus said, *“I, if I am lifted up from the earth, will draw all peoples to Myself”* (John 12:32). When we lifted up Christ in Uganda, nearly 7,000 seekers came to drink from the Living Water each night! Karen and I witnessed 335 people giving their hearts to Jesus in baptism. As our AFCOE team continues with follow-up work, we expect many more.

But now let me finish my story about Victor ...

### Victory for Victor

One day, a friend handed Victor a pamphlet advertising health seminars given by our AFCOE Africa students. He decided to sit in on the class, but only as a favor to his friend. He wasn't interested in anything more. Or so he thought!

You see, the more meetings Victor attended, the more the Holy Spirit captivated his heart. He felt the devil's toxic enticements losing their power over him. He kept coming to drink in Bible truth—and decided to fully surrender his life to Christ! He is now preparing to work fulltime for God!

I also met Francis, a former Pentecostal preacher who accepted the three angels' messages through Amazing Facts and now desires to teach God's truths. He even volunteered for the meetings! And, because we advertised on TV, many members of parliament and military leaders attended.

### Offering Living Water

It's not over, friend. Amazing Facts has broadcast in the past in Uganda, but a transition from analog to digital took us off the air. Countless people begged me, *“Amazing Facts needs to be on TV in Uganda!”* By God's grace, a government official attended our meetings and agreed! She is now working to obtain the permits to reach into 5.1 million homes in Uganda each month with the three angels' messages.

Jesus said, *“He who believes in Me ... out of his heart will flow rivers of living water”* (John 7:38). That's why we're here—to offer the thirsting a cup of Living Water.

It's simple: The harvest is ripe and we could help many more souls if we had more to work with. So I'm asking you to offer a cup of lifesaving Water to those craving the assurance that only Christ can bring. One of the most effective ways to do this is through broadcasting truth-filled programs. This month, you can help meet our budget to keep our outreach going strong. We don't want to cut back now!

We have an urgent mission. Will you consider sending a gift to bring the Living Water to thirsty souls? Eyes and ears will receive the same bold last-day message that changed so many hearts in Uganda.

As my thank-you for your gift this month, I will send you a message I recently gave to my congregation—it's called *“Keys to Victory in the Battle with Temptation.”* If you've ever needed encouragement about growing in your walk with God, you (and those you share it with) will be deeply blessed!

Imagine the joy of leading more people to Jesus! *“They shall neither hunger anymore nor thirst anymore ... for the Lamb ... will shepherd them and lead them to living waters”* (Revelation 7:16, 17).

They don't know where to find the Source of life, which is why you and I must point the way. We can lead them to Christ, the Spring of Eternal Life! *“He showed me a pure river of water of life, clear as crystal, proceeding from the throne of God and of the Lamb”* (Revelation 22:1).

### Miracles in Africa

Friend, I knew beyond a shadow of a doubt that God was leading when one of our other meetings was postponed and, at the same time, church leaders in Uganda pleaded with me to do outreach in the capital city of Kampala.

The Lord worked so many miracles on such short notice! One of the most dramatic was how He stopped the rain. Because of the large crowds, we held the meetings outdoors. And—can you believe it?—it rained virtually every day *except* during the meetings. Amen!

Another blessing came through our AFCOE Africa program. Our recent graduates in Kenya traveled to Kampala to help prepare the way for our series, doing door-to-door visits, distributing literature, and holding their own

evangelistic and health meetings. Jesus said, *“I, if I am lifted up from the earth, will draw all peoples to Myself”* (John 12:32). When we lifted up Christ in Uganda, nearly 7,000 seekers came to drink from the Living Water each night! Karen and I witnessed 335 people giving their hearts to Jesus in baptism. As our AFCOE team continues with follow-up work, we expect many more.

But now let me finish my story about Victor ...

### Victory for Victor

One day, a friend handed Victor a pamphlet advertising health seminars given by our AFCOE Africa students. He decided to sit in on the class, but only as a favor to his friend. He wasn't interested in anything more. Or so he thought!

You see, the more meetings Victor attended, the more the Holy Spirit captivated his heart. He felt the devil's toxic enticements losing their power over him. He kept coming to drink in Bible truth—and decided to fully surrender his life to Christ! He is now preparing to work fulltime for God!

I also met Francis, a former Pentecostal preacher who accepted the three angels' messages through Amazing Facts and now desires to teach God's truths. He even volunteered for the meetings! And, because we advertised on TV, many members of parliament and military leaders attended.

### Offering Living Water

It's not over, friend. Amazing Facts has broadcast in the past in Uganda, but a transition from analog to digital took us off the air. Countless people begged me, *“Amazing Facts needs to be on TV in Uganda!”* By God's grace, a government official attended our meetings and agreed! She is now working to obtain the permits to reach into 5.1 million homes in Uganda each month with the three angels' messages.

Jesus said, *“He who believes in Me ... out of his heart will flow rivers of living water”* (John 7:38). That's why we're here—to offer the thirsting a cup of Living Water.

It's simple: The harvest is ripe and we could help many more souls if we had more to work with. So I'm asking you to offer a cup of lifesaving Water to those craving the assurance that only Christ can bring. One of the most effective ways to do this is through broadcasting truth-filled programs. This month, you can help meet our budget to keep our outreach going strong. We don't want to cut back now!

We have an urgent mission. Will you consider sending a gift to bring the Living Water to thirsty souls? Eyes and ears will receive the same bold last-day message that changed so many hearts in Uganda.

As my thank-you for your gift this month, I will send you a message I recently gave to my congregation—it's called *“Keys to Victory in the Battle with Temptation.”* If you've ever needed encouragement about growing in your walk with God, you (and those you share it with) will be deeply blessed!

Imagine the joy of leading more people to Jesus! *“They shall neither hunger anymore nor thirst anymore ... for the Lamb ... will shepherd them and lead them to living waters”* (Revelation 7:16, 17).

Offering the water of lif ,
