Re: Reminders & Updates, Wk. 5, 2nd Quarter

To ALL RMES Parents & Guardians,

Thank you for planning and executing an awesome 2022 Multicultural Food Fair and Culture celebration! We greatly appreciate everything that each one of you did to make yesterday a success. Thanks to all for your support of the event and willingness to participate and make it possible. Special thanks to those who volunteered to lead their culture groups and collaborated with the H&S leader to ensure planning, promotion, and coordination of the event flowed smoothly. That was AMAZING TEAMWORK! Thanks to ALL for whatever part you played to help pull the huge event off successfully. Your generous contributions of time, talent, money, delicious food, as well as your involvement and attendance certainly helped to achieve the goal of raising funds for our PFE student scholarship. I am pleased to report that after the initial count, the H&S leader reported that we have raised over $5,000. To God be the glory!

Thank You, RMES H&S Leader: None of this would be possible without the passionate leadership of our Home & School leader. Please join me in letting Kimberly, our hard-working, dedicated H & S Leader know how much we appreciate and value all that she has done to make this event happen. From the start of the school year, she has continued to plan creative, and I must add, effective ways to raise funds to improve our school environment, while incorporating fun for the children. I am sure you will agree that RMES Multicultural Food Fair and Culture Celebration is not only the grandest, most inclusive, best supported parent-led event, but certainly the most fun, so far.

Kimberly, on behalf of RMES parents, faculty, staff, and students I want you to know that all of the behind the scenes, planning, hard work and time that you have put in to make this (and the other) events possible, have not gone unnoticed. “THANK YOU,’’ two over-used words, but know that they come from the bottom of our hearts. Thanks for your enthusiastic leadership and for the continuous quality improvement you make at RMES!

Bike/Walk-a-thon Update: Once again, thank you RMES faculty, staff, students, and families for your participation in the Bike/Walk-a-thon, October 23. We are excited to let you know that the proceeds from this event continue to add up as the riders donations continue. The new report indicates total collected is $7,987.50. What an awesome God we serve!
