CHURCH BUDGET – funds are struggling at the moment, with the biggest effect showing up in Church Expense. Church insurance went up \$2,000 this year. BACS is getting a check for just over 70% of the Church Budget each month, whether the money has come in or not. We need to have the donations exceed the monthly budget needs every month to catch up on these shortfalls, or we will have to make cuts in other areas to balance the budget. Thank you for your prayerful consideration and donations to keep our church afloat financially.
