**FREE SEMINAR ON ESSENTIAL SKILLS FOR CHURCH LEADERS** - Church leaders often need skills they may not have been taught in schools. Things such as running board meetings and managing risk and legal issues are all common tasks leaders may run into – tasks they may not know how to handle. Adventist Risk Management has outlined these skills to assist you as you lead your church. For more information on the seminar, go to [news.uccsda.org/risk42121](http://news.uccsda.org/risk42121).

**SUMMIT NORTHWEST WOMEN'S RETREAT – MAY 21-23** - Flourish is a weekend event sponsored by Summit Northwest Ministries for women who are looking to do more than just survive. Our days are frequently burdened with family needs, work engagements, challenging relationships, and many other stressors that can leave us exhausted. However, we don't believe that this is how God intended for us to live. We weren't made to just get by. We were made to Flourish. Join us for a weekend focused on complete health and wellness for your mind, body and soul. If you're looking for a schedule full of seminar style meetings, you have the wrong weekend. Instead, we will be focusing on creating time and space for God to speak to your heart, heal your soul, renew your spirit, restore your strength, and remind you that you are loved. Join us on May 21-23 at Camp MiVoden. For more information, see [news.uccsda.org/flourish41421](http://news.uccsda.org/flourish41421).
