VALUE SERIES: WISDOM

What's the VALUE in Christian education? Values are the foundational blocks upon which a better life is built including successes in education, skills and talents. An investment in Christian education is priceless! Our school puts values into action in all we do and encourage students to do the same. These are values like endurance, thankfulness, service, compassion, creativity, peace, hope, justice, wisdom and humility.

Wisdom: At Lewis County Adventist School our students are taught that God is the source of all true wisdom. We expect students to hear, value, and recognize different sources of wisdom from people of all ages and walks of life. By sharing the stories of wise inspirational followers of Christ, we create opportunities to instill this value.
