## ANNOUNCEMENTS, cont.'d

### LCAS

WHY IS ART IMPORTANT?

Today, schools throughout the U.S. dedicate most of their time, effort, and resources to developing mathematical and reading skills. While these subject areas are important, this emphasis has often put the arts in a secondary role in a child's development.

Many of our most valuable skills - including creative ability, aesthetic judgment, problem posing and solving, critical thinking, and visualization- are uniquely fostered only through art education.

The Lewis County Adventist School art program is one of those little things that differentiates LCAS from other educational institutions. Do you know of someone you can share our school with? If so, please connect them directly with Kelly Gennick / office@chehalissda.org / today!
