7 Principles for Making Marriage Work, Friday

Most couples currently enter marriage with a 50% chance of failure. Faced with difficult challenges, many seek both a Christian and scientifically-sound approach to help them understand and strengthen the weak areas in their marriage. Each Friday in August at 6:00 p.m., Marriage and Family Therapist, David Jones, will be combining insight from leading research institutions and clinical practice to support and strengthen marriages, families, and relationships through this informational series. It will be streamed through Facebook.

VALUE SERIES: JUSTICE

What's the VALUE in Christian education? Values are the foundational blocks upon which a better life is built including successes in education, skills and talents. An investment in Christian education is priceless! Our school puts values into action in all we do and encourage students to do the same. These are values like endurance, thankfulness, service, compassion, creativity, peace, hope, justice, wisdom and humility.

Justice: At Lewis County Adventist School we teach the significance of being fair. We expect students to be kind even in times of disagreement. We teach the inspired lessons from those who have overcome injustice to create a better future for ALL.
