7 Principles for Making Marriage Work

Most couples currently enter marriage with a 50% chance of failure. Faced with difficult challenges, many seek both a Christian and scientifically-sound approach to help them understand and strengthen the weak areas in their marriage. Each Friday in August at 6:00 p.m., Marriage and Family Therapist, David Jones, will be combining insight from leading research institutions and clinical practice to support and strengthen marriages, families, and relationships through this informational series.

LCAS VALUE SERIES: SERVICE

What's the VALUE in Christian education? Values are the foundational blocks upon which a better life is built including successes in education, skills and talents. An investment in Christian education is priceless! Our school puts values into action in all we do and encourage students to do the same. These are values like endurance, thankfulness, service, compassion, creativity, peace, hope, justice, wisdom and humility.

Service: We begin to serve by being kind to one another. Hands-on leadership experiences in our school, church, and community builds a strong foundation for a life of service.
