VALUE SERIES: PEACE

What's the VALUE in Christian education? Values are the foundational blocks upon which a better life is built including successes in education, skills and talents. An investment in Christian education is priceless! Our school puts values into action in all we do and encourage students to do the same. These are values like endurance, thankfulness, service, compassion, creativity, peace, hope, justice, wisdom and humility.

Peace: At Lewis County Adventist School we model how to be a peacemaker and peacekeeper. Students learn how to resolve conflict quickly and fairly. Our school teaches how peace grows from spending time with God in prayer. To find out more for your child or grandchild, friend or neighbor, come visit, Kelly Gennick/ office@chehalissda.org
