Twelve years in the making, the critically acclaimed film "Patterns of Evidence: The Exodus" presents convincing new evidence that clearly matches the Biblical account! Plan to bring friends and family members with you for the screening of this documentary on Sabbath, July 17, from 6:30-8:30 p.m.

VALUE SERIES: ENDURANCE

Values are the foundational blocks upon which a better life is built. An investment in Christian education is priceless! Our school puts values into action in all we do and encourages students to do the same. These values include: endurance, thankfulness, service, compassion, creativity, peace, hope, justice, wisdom, and humility.

Endurance: We encourage persistence even when it's tough. We give challenging work to students to build endurance, as we want all to learn how to respond to life's failures, and ultimately reinvent them into success. Whether in the highs or lows of life, we teach that God's love endures forever and provides strength when we need it most. To find out more for your child, grandchild, friend, or neighbor, come visit Karen Carlton /kcarlton@lcas.org.
