Patterns of Evidence Documentary Showing

Many experts say there is no archaeological evidence for events like the Exodus. Twelve years in the making, the critically acclaimed film "Patterns of Evidence: The Exodus" presents convincing new evidence that clearly matches the Biblical account! Plan to bring friends and family for the screening of this documentary next Sabbath, July 17, from 6:30-8:30 p.m. at the church.

It Is Written Mega Mailers are going out over the next several weeks offering Bible studies to the Centralia community. Please keep this opportunity in prayer!

VALUE SERIES: THANKFULNESS

What's the VALUE in Christian education? Values are the foundational blocks upon which a better life is built including successes in education, skills and talents. An investment in Christian education is priceless! Lewis County Adventist School puts values into action in all we do and encourage students to do the same. These are values like endurance, thankfulness, service, compassion, creativity, peace, hope, justice, wisdom and humility. Thankfulness: LCAS teaches our students to appreciate the good things in life and each other. We regularly express gratitude for one another when our kids show strong teamwork, offer a kind gesture, or for a job well-done. As educators we model and express our heartfelt thanks to God for his gift of love to each of us.
