7 Principles for Making Marriage Work, FRIDAY

Most couples currently enter marriage with a 50% chance of failure. Faced with difficult challenges, many seek both a Christian and scientifically-sound approach to help them understand and strengthen the weak areas in their marriage. Each Friday in August at 6:00 p.m., Marriage and Family Therapist, David Jones, will be combining insight from leading research institutions and clinical practice to support and strengthen marriages, families, and relationships through this informational series. It will be streamed online for those who are unable to attend.

"Patterns of Evidence: The Moses Controversy"

The next film in the "Patterns of Evidence" series will be shown at the church August 7, at 6:00 p.m. Please plan to come and bring a friend.

Our Bible Prophecy Meetings with Pastor Nemaia

Faletogo will begin Friday, Sept 17 and continue Thursday-Sunday evenings until October 9. Please mark your calendars, bring a friend, and keep these meetings in your prayers.

Deaconess Meeting

There will be a brief, 15-minute, deaconess meeting after the church service on August 14, in the Fellowship Hall. Please plan to attend! For questions, see Jennifer Jones.

ANNOUNCEMENTS, cont'd

Pathfinders will meet for fun in the park every other Thursday evening from 6:00-8:00 p.m. This will be August 5, and August 19 at the Borst Park playground. Families of pathfinder-aged kids are welcome.

Student in Egypt

There is a South Sudanese student at the Adventist Nile Union Academy in Egypt who is in need of help with her tuition. Her mother is a single parent who is physically unable to work. The year's tuition is \$1,500. If several people could contribute, it might get her to financial clearance for the semester. Contact Alicia Richards for more information. Mark your tithe envelope "Egypt Student" to donate.

VALUE SERIES: CREATIVITY

What's the VALUE in Christian education? Values are the foundational blocks upon which a better life is built, including successes in education, skills, and talents. These are values like endurance, thankfulness, service, compassion, creativity, peace, hope, justice, wisdom, and humility. Creativity: LCAS uses unique approaches to support different learning styles. We encourage students to think critically and creatively by offering curriculum that teaches the arts.
