7 Principles for Making Marriage Work

Most couples currently enter marriage with a 50% chance of failure. Faced with difficult challenges, many seek both a Christian and scientifically-sound approach to help them understand and strengthen the weak areas in their marriage. Each Friday in August at 6:00 p.m., Marriage and Family Therapist, David Jones, will be combining insight from leading research institutions and clinical practice to support and strengthen marriages, families, and relationships through this informational series. It will be streamed online for those who are unable to attend.

"Patterns of Evidence: The Moses Controversy"

The next film in the "Patterns of Evidence" series will be shown at the church August 7, at 6:00 p.m. Please plan to come and bring a friend.

Pathfinders will meet for fun in the park every other Thursday evening from 6:00-8:00 p.m. This will be August 5, and August 19 at the Borst Park playground. Families of pathfinder-aged kids are welcome.

VALUE SERIES: COMPASSION

What's the VALUE in Christian education? Values are the foundational blocks upon which a better life is built including successes in education, skills and talents. An investment in Christian education is priceless! Our school puts values into action in all we do and encourage students to do the same.

Compassion: Whether a schoolmate needs extra encouragement, a local community member needs support, or contributing to missions abroad, practicing compassion is a priority at our school.
