SCHOOL CORNER

Chewing bubble gum is similar to meditating on Scripture. At first, it may seem kind of hard to understand but we just need to keep chewing. After a little chewing, the full flavor, texture, and the real experience comes. It not only becomes flexible, but you can fill it with air and expand it to become huge bubbles! But unlike bubble gum, God's Word never lose its flavor, or pops. Also, once we have spent quality time in His Word, we become more flexible and useful. He can stretch us, fill us, and use us for His good purposes. Choose today to spend time chewing on His Word.

GLOW EMPHASIS OF THE WEEK

Giving Light to Our World

PERSONAL MINISTRY SPOTLIGHT

“There are many who are crying out for the living God, longing for the divine presence. Philosophical theories or literacy essays, however brilliant, cannot satisfy the heart. The assertions and inventions of men are of no value. Let the word of God speak to the people. Let those who have heard only traditions and human theories and maxims hear the voice of Him whose word can renew the soul unto everlasting life.” – COL 40.1
