SCHOOL CORNER

This week we finished our study of the Old Testament Sanctuary. One point of learning that especially made an impact was the thought that during the creation week God made a space for us that He asked us to fill and multiply, but all we did was fill it with sin. Then God reversed the rolls and asked us to make a space (the sanctuary) and He said He would fill it with His presence. We are so thankful for our study of the Sanctuary and how each piece points us to Jesus! (As pictured: the students created aluminum foil models of each piece of furniture)

Also, this week, we celebrated Eric's birthday!
(Today is his actual birthday, so help him feel the love!)

PERSONAL MINISTRY SPOTLIGHT

"The great object of our publications is to exalt God, to call men's attention to the living truths of His word. God calls upon us to lift up, not our own standard, not the standard of this world, but His standard of truth." – Testimonies for the Church vol 7, pages 150–150.
