## GREETINGS:

"What are mothers? Well, mothers are teachers. Mothers are disciplinarians. Mothers are cleaning ladies. Some mothers are gardeners, mowers of lawns housekeepers and holders of two jobs at the same time – in and outside the home. Mothers are nurses and doctors and psychologists, pastors, preachers and counselors and chauffeurs and life coaches. Mothers are developers of personalities, molders of vocabularies, and shapers of attitudes. Mothers are soft voices saying, "I love you" and strict com-

mands saying "don't touch that stove!" Mothers are all these things and much, much more, but most of all, mothers are a link to God and a child's first impression of God's love. **HAPPY MOTHER'S DAY!**"

## Birthday Celebration:

Happy birthday to all our May celebrants: Yaw Appiah (3), Monica Guindin (15), Camilla Flores (17), Dianne Rosario (19), Nana Kofi Appiah (20), Noe Alonzo (28), Daniela Borhorquez (28), Gabriela Bohorquez (28), Sarai Smith (31). May God bless you and your family. **We love you!**
