Principal's Message

A word from Mrs. Bryant

We made it through week 2, mostly unscathed:)

Just a few updates and reminders as we go into this nice long weekend (school resumes on Wednesday, September 8):

1. Please remember that for both drop-off and pick-up, the pull through lane is not a parking space. You should not park along the curb, then get out and head inside. If you wish to leave your car, please park in the allocated spaces in the lot.
2. For those of you who didn't make it to Back To School Night, I have [quick video clips of my presentation on my page of the RAS website](#).
3. Many of you have tried (unsuccessfully) to register through Sterling Volunteers to be able to officially volunteer at RAS. They are experiencing some technical problems, but I'm following up and will let you know about steps forward.
4. Finally, please make note of the edits to our COVID-19 protocols. These are in the email that this newsletter came in, as well as [on our website](#). Please schedule a time to meet with me to discuss these changes if you have any further questions.
