**As a courtesy to our church family, the Church Secretary forwards email sent to the church from Upper Columbia Conference. If you do not wish to receive these updates, please contact JudyAnn Hoerler so that your email can be removed from our list. When you do the "unsubscribe" you actually remove our church account, not your private account, so that I then have to re-subscribe in order for the rest of us to receive this UCC information. This has happened several times now. Please just let me know and I will be happy to remove your email address. Thank you.**
