

Real change and healing come from new views of people, power and prayer

- Is there a reliable power I can lean on during these extraordinary times of turmoil?
- Can I find tangible safety, financial security, healing, love and joy?
- Can I make a difference in the world? **Absolutely!**

Hear Tom McElroy, CSB, explain the Christian Science view of how discovering more about God's nature and goodness can impact your life and bring practical solutions. Better understanding God's power and universal love for humanity helps anyone to find answers and genuine healing, even in the most adverse situations.
