Classroom News

Welcome back! It was wonderful to see all of our returning students again and to meet the new ones. The first week is always a transition period, with various assessments, learning classroom procedures, and easing back into the school routine.

Remember that we will have an Elementary Parent Orientation on Monday, August 30 beginning at 6:00. This is an opportunity for parents to meet the teachers, become familiar with certain procedures related to homework, etc., and ask questions. Mrs. Davidson will present to her parents beginning as soon after 6:00 as possible, and Ms. Messecar will present to her parents beginning at 6:30 so that parents who have children in both classes can attend both meetings.

Some other things to be aware of are that we have a piano teacher who comes to the school on Tuesdays to give lessons to any interested students. Her information is on a clipboard by the front door; if you would like to sign your child up for lessons, please take a packet and contact Mrs. Martin. Also, we would like to resume hot lunches once or twice a week. If you are interested in volunteering to provide hot lunch to the students, please let me know what day of the week you are available and when you can start. Thank you for all of your support! We are excited about the opportunities ahead of us this year. We still have openings in grades 1-8, so if you know anyone who should join our family, please have them call us. Have a blessed weekend!

Ms. Messecar says she has the most amazing kids in her classroom!

They did great this week learning a long memory verse about how God loves them and that He loves them even more than their parents do and that's a lot! The memory verse was
Ephesians 3:17-19

She's looking forward to getting to know them all even better.

Preschool / Kindergarten / Summer Camp

We are just getting finished with summer camp and getting the rooms ready for school to begin.

We had lots of fun this summer going to splash pads, parks and field trips.

We look forward to meeting all of our new students and getting to know them.

The preschool classroom is full, but we have some openings in the Kindergarten room if you know of someone interested.
