Announcements

Reading the Whole Bible Together as a Church: Did you know that the Bible can be read cover to cover in 72 hours? We are looking for 72 volunteers to come to church during the week and read the Bible for 1 hour. Pastor Ben will meet you there and record you reading so that we can put those videos on YouTube. You can sign up for ANY day and time. There is not a specific order that needs to be followed. Sign up for a time that works for YOUR schedule and Pastor Ben will work his schedule to try to accommodate the time you want. Our goal is to have the whole Bible recorded by January 1st. At that time, we will begin uploading segments of our Bible reading, one video a day. Our hope is that as people begin to set New Year's Resolutions, a time when many endeavor to read the whole Bible, they will stumble across our YouTube Videos. This will be an exciting event for our church as we feel a sense of accomplishment after reading through the whole Bible as a church family. This is also an opportunity for digital evangelism. If you have any questions, please call Pastor Ben. You can sign up to read here: https://calendly.com/pastor_ben/ancient-words-bible-reading
