#### Theme Book

The first book of the theme is *Me on the Map*. As we continue to work with this book, we will be taking some time to learn about our home in the solar system and the planets that revolve around the sun.

☺ **Glow Ride POSTPONED**

☺ **Way to go!** Many students prepared really well for the first Social Studies test! Remember, notes should be taken home every day to read through, then be brought back to school the next day. We want to learn good study habits!

☺ **As a part of our unit on plants** in science, we are collecting seeds. Each student will bring at least five different kinds of seeds to school on Monday, September 20 – as unusual seeds as they can find!

☺ **MULTIPLICATION!** "Just like learning to walk before you can run, learning multiplication and memorizing the times tables are building blocks for

other math topics taught in school - higher learning such as division, long multiplication, fractions and algebra. Students who have not memorized the times tables will find these levels of math much more difficult than they need to be." The 3's test in on September 30.

☺ **Treasure Verse Quiz** next Friday, September 24.

*"Don't copy the behavior and customs of this world, but let God transform you into a new person by changing the way you think." Romans 12:2a (NLT)*

☺ **Spelling words for next week** are from Theme 2 Week 3. Lists of words for the next week are in the white envelope every Friday. Spelling tests are on Friday.
