Our Week

Our letter this week was Q and our number was 6. We've been working on AB patterns this week, finding out more about the first Thanksgiving and going to Week of Prayer each morning where we're learning about the "living water" Jesus wants to give us. Our November fruit of the Spirit is gentleness.

Tuesday, Nov. 16: Nick
Wednesday, Nov 17: Otto
Thursday, Nov. 18: Raygann

Kindergarten Mrs. Beth Kobliska

Field Trip

Remember, our class will be taking a mini field trip to the Siloam Springs fire station on Monday, November 15. Let me know if you have any questions or want to drive.

Thanksgiving

This week we have spent some time learning about what life was like for the Pilgrims once they got off the Mayflower. Next week we will study about the Native friends that helped the pilgrims and their Thanksgiving celebration together. Our Bible stories are focusing on people who took time to be thankful. Our memory verse for the month of November is "In

everything give thanks: for this is the will of God." -1 Thessalonians 5:18.

Week of Prayer

We have spent our worship times this week with our school family learning about the water of life that Jesus wants to give us. We've talked about how important water is to our bodies and compared that to how important Jesus' living water is to our hearts.

Letters of the Week

Next week we will not introduce any new letters. We will review the letters we have focused on so far. They are **m,s,a,p,s,t,d,r,n** and **o**.

Reading Books

Watch for little readers coming home with your kids. The kids have practiced them at school and you can listen to them read them at home now. This can be part of your reading log time.

1st & 2nd Grade Mrs. Kay Sutherland

Thank you to Home and School for an awesome Fall Festival!

Montessori and Your Child

"A desire to be independent is one of the strongest drives in your child. While s/he needs and wants your help

and guidance, a young child has a very strong urge to be independent, that is, to do as much as she can for herself and by herself."

Treasure Verse:

Matthew 22:37-40 " ... You must love the Lord your God with all your heart, all your soul, and all your mind. This is the first and greatest Commandment. A second is equally important: Love your neighbor as yourself." (NLT)

Coats are important for your child as the weather cools. Young children concentrate so much better on their work when they get fresh air and sunshine. We *all* go outside every day unless it is actually raining.

We are planning a field trip to the barn on the 19th. Please let me know if you are available to drive. I am also looking for a fun fall craft for the children to do and some games. If you would like to plan that **for us please contact me.**

Reading Logs are due Friday (today) but can still be turned in Monday morning. Completing the reading log every week and returning it to me is a reading requirement and part of your child's reading grade. Please start planning now to continue this routine during Christmas break.

3rd & 4th Grade Mrs. Eva Hill

😊 **We enjoyed an awesome Week of Prayer** this week. Thanks to Mr. Kobliska and Mrs. Lopez for sharing cool stories and facts with us about the "water of life" that Jesus promises

Thank you for keeping our parking lots safe.
