Track & Field Day

Pre-Kindergarten Mrs. Beth Kobliska Mrs. Joanna Davis

Our Week

Our letter this week was E and our number was 2. We've been practicing all we've learned and it's pretty impressive how much everyone knows! We're also learning about Fall and the 7 continents. In Little Lambs club we're working on being helpers so don't forget to send Ms. Jo pictures of your kids helping out at home.

Snack Schedule

Pre-K, you did AMAZING at remembering to bring snack on your day. Some of you were even early! Thanks so much!

Coming up, our snack helpers are:

Monday, Sept. 27: Eva
Tuesday, Sept. 28: Elias
Wednesday, Sept. 29: Heleena
Thursday, Sept. 30: Leighton

Kindergarten Mrs. Beth Kobliska

Theme Book

Adele and Simon is the title of our next book. This is a fun story of a big sister in Paris trying to help her little brother keep track of his belongings and learning that good neighbors are

important, no matter where in the world you live! We will also continue learning about our solar system and the planets.

Bible Story

For Bible class, we will be learning about the story of Elisha helping his friends by praying for a son and later asking God to bring that same son back to life. Our memory verse is "A friend loves at all times. He is there to help when trouble comes." Proverbs 17:17

Reading Logs

Reading logs continue to be due every Friday and accepted on Monday as well. Remember, you can TEXT me the reading minutes your child has done if you forget to fill out the form or don't have a new reading log for some reason.

Snack Schedule

Coming up, our snack helpers are:
Monday, Sept. 27: Eva
Tuesday, Sept. 28: Elias
Wednesday, Sept. 29: Heleena
Thursday, Sept. 30: Leighton

1st & 2nd Grade Mrs. Kay Sutherland

Thank you to all the parents who joined us on our field trip today!!

Thank you to Mrs. Zambrano (Orion's grandma)! She helps us have so much fun in our gardens and teaches us about weeds, bugs, and how to care for our tools too. It is a lot of work; but we are excited to see what grows in our boxes next.

Remember jackets/sweaters! It is officially fall now and still chilly at first recess. Please send something warm for your child to wear if they need it to

be comfortable outside for half an hour starting at 10:00.

First grade transition:

I have had an opportunity to speak with some of our parents and the changes the students are experiencing. I value your questions and feedback. It's a big transition from a small class to a much larger one. More work and memorization is required, less free time and choice time--it can be a hurdle. The great news is that they are doing so well.

Ask them how they are doing on their iPad math facts. Also, ask them about the books they are reading with Mrs. Hanan, me, or in the library. Can they say their treasure verse to you? I know they can't wait to share with you about these activities and others they are experiencing this year. Thank you for your continued encouragement to your child, it works well with the changes in their classroom experience. Yay 1st grade!

Reading Logs are due every Friday.

Does your child often see you reading the Bible, books, magazines, and newspapers? Talk about what you read. Your child will reflect what you value.

😊 Developing good study skills:

"If a student learns how to learn when he is young, he will most likely become a lifetime learner."

😊 **Social studies chapter 2 test** is on Monday September 27. Students have notes to prepare.

😊 **HAPPY BIRTHDAY** this weekend to a totally awesome 3rd grader – Colton Goldman! Hope it's a great day!

😊 **Treasure verse quiz** next Friday, October 1:

"For I can do everything through Christ, who gives me strength."
Philippians 4:13 NLT

😊 **Spelling word lists for next week** are in the white envelope today-- Theme 3, Week 1 words. Spelling test next week will be on Thursday, September 30.

😊 **MULTIPLICATION!** In order to progress in math through third grade and beyond, students must memorize the multiplication facts to the point of quick recall. Some regular individual practice is necessary to master these facts.

5th & 6th Grade Mrs. Amy Kimberly

It was an interesting week navigating online learning. However, the students did a great job figuring everything out! We had tests in Science and Math this week. I appreciated the effort by parents and students to figure out taking a test on Jupiter.

In Science, we started a new chapter and we are learning about DNA. In 5th grade Math, the students are learning how to estimate by rounding or using compatible numbers in the equation. 6th grade is learning how to multiply fractions, mixed numbers, and improper fractions.

Mrs. Janet Lopez

This week in Bible we are reading the Book, "War of the Invisibles." We are now learning about Martin Luther, the reformer, and the history of how he changed church for good!

In English we wrote Plays and when students are back next week we will act them out. We also had a review lesson in spelling and practiced our handwriting.

In Social Studies students completed section 1 on the migration to America. We read about early American cultures and how they lived. Now we are studying the Inca and Aztec civilizations.

We are so glad that students will be back Monday! It was so lonely teaching online in an empty room. Learning in person is so much more fun! See you soon.

7th & 8th Grade Mrs. Lisa Tonack

🦋 Test Schedule:

Mon.: S.S. Test 4
Tues.: Science Test 2
Thur.: Spelling Test 7
Fri.: MV Quiz

🦋 Next 4 AR points due:

Our next AR points are due Thursday, October 7. This is 10% of each student's reading grade.

🦋 **Jupiter Ed:** If you don't know how to log in to Jupiter Ed, ask your child to log into their account and show you their grades. If you Google Jupiter Ed log in page, you select "Parent", then you type your first and last name, then Ozark Adventist School, then "login help", it will send you an email with the instructions of how to log in.

🦋 **End of 1st quarter:** The quarter ends in two weeks. Make sure all missing work/tests are turned in by Oct. 8.

Library Mrs. Jeanie Davis

Bear Grylls book series is here! There are 12 books in this series and are true adventures for the 4th grade level.

We also have the "I Drive" books for the 3rd grade level.

Remember to check your child's reports that are sent home on Friday.

These reports show your child's progress for the week.

See you in the library!

Thank you for keeping our parking lots safe.
