

October 1, 2021

Dear Parents,

We have had a busy week! We have been invaded! The eggs have arrived. We are taking part in the UNL Embryology program. Tuesday, Mr. Devries (Not Samuel & Ethan's Dad) came by and told us all about our eggs. We will turn the eggs 3 times a day. All of the kids will be involved. Next Tuesday we will be candling the eggs. Soon we will have chicks!

Parent/Teacher conferences are coming up. We will be contacting you to schedule your conference. Please think of different times that you will be able to meet with us. On our school calendar it says next Tuesday was to be a Minimum Day and dismissal was at 12:15. WE ARE NOT TAKING A MINIMUM DAY. We have too many commitments with UC Education Seniors and our Egg Candling to take a minimum day. Thanks for your patience.

Attached to this newsletter is a permission slip to for our field trip to Vala's Pumpkin Patch. We will not be going to any "Halloweeny" attractions. Just going to fun Fall attractions and, of course, picking a pumpkin. Please sign and return the slip and \$8.00 entrance fee as soon as possible.

As many of you know, the Lancaster County Mask Mandate has been extended through the 28th of October. We will honor this mandate while inside the school. Outside, we will allow the kids to remove their mask. We do ask that the kids NOT hang all over one another. If the kids cannot refrain from showing such deep "affection" for one another they will be masking up at recess. Just an FYI for everyone.

Fall is here and with it weird weather. Please make sure the kids dress appropriately for recess outside. It can be chilly in the morning and warm in the afternoon. It's easier to take off a jacket, than to be cold. Thanks!
