

October 22, 2021

Dear Parents,

We've had a wonderful week! We have truly enjoyed taking part in the Embryology Program. The kids grew very attached to the chicks. We had a total of 7 eggs hatch. It was fun to see them develop. They went to their forever home. All of the kids have seen a chick hatch, but if you would like to see one hatch, go to georgestone.org.

Parent/Teacher conferences are coming up. You will find the latest schedule attached to the newsletter. Please note your appointment. If there is a problem, please contact us as soon as you can so we can see what can be done.

School pictures are scheduled for the 27th of October. They are first thing in the morning. You can dress up the kids and they can change after pictures. Pictures will be emailed to you.

Fall is here! That means the weather is fickle. Please make sure the kids dress appropriately for recess outside. It can be chilly in the morning and warm in the afternoon. It's easier to take off a jacket, than to be cold. Thanks!

Important Events:

***October 27-----9am School Pictures**

***Oct. 25-29-----Parent/Teacher Conferences**
