Exclusion Day
 FEBRUARY 19

Dear Parents, every year we are required to submit an Immunization Report to the Health Department based on the immunization records that we have received from parents or what we currently have on file for each student.

Students who receive a letter from the Health Department must have the required missing immunization or will not be able to return to school on February 19; unless there is a medical or non medical exemption.

The Health Department will be mailing letters on February 5.
