

PERSONAL APPEARANCE

Killeen Adventist Junior Academy approaches a student’s appearance from a Biblical perspective. The application of these principles in the choice of clothing and appearance is intended to de-emphasize the love of self-display and preoccupation with conformity to changing fads. While the choice of clothing and personal appearance is ultimately an individual matter, good sense and good taste require that certain standards be taken into considerations. Below are seven principles, outlined in the Bible, that are applicable to students who attend KAJA:

1. Attractiveness
2. Modesty
3. Cleanliness
4. A clear distinction between the sexes
5. Simplicity
6. Neatness
7. Healthfulness
