Grains, fruits, nuts and vegetables constitute the diet chosen for us by our creator. These foods, prepared in as simple and natural a manner as possible are the most healthful and nourishing. They impart a strength, a power of endurance, and a vigor of intellect, that are not afforded by a more complex and stimulating diet. MH Pg.296
Make our Creators diet part of your life! Join us February 28th at 6:30 pm to learn about making a Healthy Breakfast! Samples will be served! We look forward to seeing you there!
