Welcome:

We welcome you to the Lapeer Seventh-Day Adventist Church.  
My friends may you grow in grace,  
And in the knowledge of our Lord and Savior.

We would like to invite all of you to our fellowship dinner  
following the service each week.  
Please join us for food and fellowship.

Thoughts For The Week

Behold

I make all things new.

Revelation 21:5

*Nature Nuggets*

*Explosive News!!*

*Venus has more volcanoes than any other planet in the solar system. Over 1,600 major volcanoes or volcanic features are known and there are many more smaller volcanoes.*

*Big Bang!!*

*Tamu Massif, a volcano in the northwestern Pacific Ocean, is the world's largest volcano, and it's so enormous that researchers call its creation a "miracle". The extinct submarine shield volcano is almost the same size as Japan, but until recently researchers underestimated how big it really is."*
