Kansas-Nebraska Conference Constituency On August 29 the delegates from all the churches selected by their church boards will be meeting. An organizing committee met last Sunday made up of church members across the conference with the purpose of selecting a Nominating Committee. The members from our area on this committee are Kelly Krueger, Peggy Glass, and Guadalupe Montour from CVC; Amy Finch and myself from Piedmont Park; and Ernest Smith from Northside. Virgil Carner from Capital View is the alternate. The purpose of the Nominating Committee is to make recommendations to all the delegates for our conference officers like the president. If you have thoughts about our conference that you would like to share, this is your time to share your feelings with the delegates and with the members of the Nominating Committee.

The City of Lincoln moved back into the orange. In an effort to continue to meet in person for all church gatherings, we are strongly encouraging wearing a mask to protect those who are at most risk and help limit the spread of this virus. To help limit our collective risk, if you have had direct unmasked contact in the last 7 days with a person who currently has Covid, or if you feel sick please choose our online service until you know you are not contagious. Thank you for your cooperation.
