

Pastor Invitation Letter

Dear Pastor:

Simply teaching our children about ministry is not enough! We must equip kids to be DOERS of the Word, too (James 1:22)! We are excited to be able to partner with International Children's Care to create a mission project specifically for Kidsville: Operation Shoes...another way for our children to be DOERS of the Word. This project focuses on helping International Children's Care provide shoes for children in their orphanages around the world.

Please join Operation Shoes by encouraging the participation of your congregation. Your support and prayers can make a big difference in the lives of orphan children around the world.

Your VBX Director has instructions for collecting the funds and an offering code has been designated for this project. Thank you for investing in the growth and training of our children, and making a difference in the lives of orphans around the world...and providing an xperience where our children are doers of the Word.
