**AUDIO VISUAL TEAM NEEDS YOU** — Over this past year we have had to face many challenges in keeping our worship service going while being closed. We had to learn a new way to present our worship through Facebook and YouTube Live. It has been a learning curve for all of us. Our current audio-visual team has really dedicated themselves to making this happen each week for their church family. Big thanks to David Gullett, Gus Gullett and Bruce Bacheller. But we need you! Do you have an interest in learning about audio visual ministry? You do not need to know how; we can teach you. Our guys really need your help and if you have an interest or feel called to do so, we will welcome you to the team. All we ask is a willing heart to learn and commitment to the ministry. Please contact Gus, David, or Pastor Lori and we will see about putting you on the team.

Hurts, hang-ups, and life-controlling habits—we all have them. Most of us feel we can never overcome them, and you are right, we cannot. But we know a God who can work life-altering miracles. He has made a way through Jesus Christ.

That is what **Healing in Christ Ministries** (HCM) is all about. Working through and overcoming those hurts, hang-ups, and life controlling habits through the transforming power of Jesus Christ.

HCM is committed to a Christ-centered approach utilizing the Twelve-Step Biblical principles to guide our recovery and spiritual growth. HCM is a safe and confidential place to talk, share, and grow.

You will find no judgment, criticism, or perfect people. You will be strengthened, encouraged, and supported in your journey. All who seek recovery, regardless of their state of faith, religion, race, or gender are welcome.

The only requirements for membership in this forum are desires for a personal release from conflict with God, ourselves, and others by learning and practicing the Twelve Steps and to help others achieve the same.
