

# Granola

14 cups (3 ¼ lbs.) old fashioned rolled oats  
1 cup raw sunflower seeds (5 oz)  
2 c shredded coconut (7 oz)  
2 c wheat germ (6 oz)

1 cup water  
¾ cup oil  
1 Tbsp. vanilla  
1 tsp salt  
½ c honey or brown sugar

Mix sunflower seeds, coconut and wheat germ together. Add rolled oats and mix well. Blend ingredients in the right column and pour over the dry ingredients. Mix. Spread approximately ¾" thick in pans and bake at 240° for five hours. No need to stir. When coconut is toasted, granola is done. Store in refrigerator or freezer.
