"Your word is a lamp unto my feet, and a light unto my path."

Psalm 119:105

**Seventh-day Adventists believe** that the Bible is God's Word, and that the greatest need of every person is to know the truth about God through Jesus.

We believe that God has been misrepresented as being arbitrary, unforgiving and severe. The Bible presents the picture of a God that is loving and worthy of our trust, who values nothing higher than our freedom, dignity and individuality.

We believe that all humanity is now involved in a great controversy between Christ and Satan regarding the character of God, His law, and His sovereignty over the universe.
