

The Revelation of Jesus

Lesson 19

A. Introduction “Worship the Creator” – The first angel’s message: Rev. 14:6-7 (1815)

B. The Word of God: Rev. 19:11-16 (1822); Jn. 1:13; 10; 14 (1546)

C. Is Jesus listed in the scriptures as being the Creator? Note the following verses:

1. **Jn. 1:1-3, 10, 14** (1546)
2. **Jn. 17:5** (1580)
3. **Eph. 3:9** (1716)
4. **Col. 1:16** (1729)
5. **Heb. 1:2** (1757)
6. **Jn. 8:56-59** (1564) and **Ex. 3:14** (90)
7. **Neh. 9:6-15** (790) and **1 Cor. 10:1-4** (1679)
8. **James 4:12** (1778) and **Acts 4:12** (1596)

CONCLUSION: Jesus Is the Creator and Redeemer! The One who in **Gen. 1:1** (1) and **Psm. 33:6, 9** (880) created the world.

D. Three main views about creation

1. The Evolution theory
2. The Biblical account: Creation by God in 6 literal days
3. Theistic evolution: The doctrine that says yes, God did create, but he did it in an evolutionary way. In this theory each day of creation was 1000 years long. It is a mixture of evolution and Biblical creation. This doctrine springs from a misunderstanding of **2 Pet. 3:8**. In **Psm. 33:6, 9** (880) and **Gen. 1**, it clearly refutes this mixture of truth and error.

Note: Truth can stand Investigation, error cannot. If a doctrine or belief is false the more you investigate it the more it contradicts itself and the more it begins to fall apart. Let’s look at **Gen. 1** (1) and see if we can tell how long each day of creation was. The doctrine of theistic evolution says each day was 1000 years long. Note the following contradictions with that view:

E. Four ways to know for sure how long each day of creation was.

1. Each day of creation had 2 parts, “the evening and the morning” **Gen. 1:5** (1). If each day was 1000 years long that would mean 500 years of darkness and then 500 years of darkness for each day. Everything would die with 500 years of darkness because everything needs light to survive.
2. If the plant life was created on the third day (**Gen. 1:11-13**) and Insects weren’t created until the 5th day (**Gen. 1:20-23**), then the plants had to survive 2,000 years without pollination.

3. If Adam lived through only one day he would have been 1000 years old. We don't know how long he and Eve lived in the Garden before they sinned and had to leave but we do know Adam was 930 years old when he died and that contradicts the theistic evolution theory. (**Gen. 5:5**)

4. Although the Hebrew word for day is "YOM" and is translated many different ways in the Hebrew Scriptures, as illustrated below, it ALWAYS equals a 24 hour period of time whenever the Hebrew word "YOM" is connected with a number. That is why the days of creation in the Bible are listed as the evening and the morning of the 1st day, 2nd day etc. No exceptions! It is just as the Psalmist says in **Psm. 33:6, 9** (880), "By the word of the Lord were the heavens made and all the host of them by the breath of his mouth. For he spoke and it was, He commanded and it stood fast."

1181 times as day	10 times as continually
67 times as time	6 times as age
30 times as today	4 times as life
18 times as forever	2 times as perpetually

Conclusion: There is still power in his Word to change lives instantly and to create a new creature out of nothing good. Jesus is still the Creator and the Redeemer of mankind. **Rev. 14:6,7** is a message of going back to worshipping and honoring the Creator and Redeemer of mankind which many in the world do not want to recognize **2 Pet. 3:5** (1789). Sadly enough, Satan has succeeded in getting this compromised view of Theistic evolution into many Christian's set of beliefs. The book of Revelation calls us back to the true belief of worshipping Jesus as the Creator.
