Health Guidelines

With the COVID-19 variant, there is still a risk with public gatherings. Local health guidelines in Buncombe County presently state that wearing a mask inside is highly recommended (even mandatory in many places presently, through the end of October = see the signs posted at our building entrances & doorways). For those among the vulnerable population or those simply not comfortable with public gatherings at this time, we will continue to live-stream our worship services. Please be loving and respectful toward those whose decisions may not agree with yours. We will be monitoring and assessing this pandemic as dynamics progress. Please continue to pray especially for our healthcare workers and those affected by this virus.

Midweek Service

Our *Journey Through Scripture* will continue on Wednesday, October 13, at 7:00 PM via Zoom and in-person in the church choir room, Lord willing. Our chronological study of the rest of the Old Testament will resume at 1 Samuel 8:6 as Samuel and the LORD react to Israel's rejection and worldly request. May you be blessed during this time of shared prayer & weekly Bible study as we come to know the LORD better while gaining gospel insights for our own lives.
