Disaster and Famine Relief

“Fatal,” “Devastating,” “Horrendous,” “Unforgettable,” “Death Toll Rises!” Just some of the words to describe news reports on natural disasters and traumatic events.

Natural disasters are often referred to as ‘Acts of God’. It is a statement that make us feel distant to the problem and hopeless that anything can change.

This Sabbath, your support of the Disaster and Famine Relief Offering will help ensure that the true Acts of God are seen in times of disasters – acts of generosity and service by people like you who step up to help those suffering around the world.

In the past year we have seen these acts across Canada and around the globe in response to COVID-19, but also in places like Beirut, the Philippines, Albania, and the Congo as families were struck by deadly disasters.

By partnering with ADRA in your giving today, you can ensure the thousands of children, women and men affected by disaster every year have safe shelter, food to eat, clean water and the opportunity to rebuild their lives.

With a strong global presence, ADRA can respond to almost every disaster. Your generous gift before disasters occur ensures help is available when people need it most.

Please give generously.
