PASTOR'S CORNER

November 30, 2019

Today we would like to warmly welcome Pastor Jess Agol as he visits us once again to deliver God's message. He currently is the Pastor at Fairhavens Filipino and Toronto Pilipino Seventh-day Adventist Church.

Take a moment to meditate on this striking passage:

"But godliness with contentment is great gain. For we brought nothing into the world, and we can take nothing out of it. But if we have food and clothing, we will be content with that. Those who want to get rich fall into temptation and a trap and into many foolish and harmful desires that plunge people into ruin and destruction. For the love of money is a root of all kinds of evil. Some people, eager for money, have wandered from the faith and pierced themselves with many griefs." **1 Timothy 6:6-10 NIV**

The Bible repeatedly addresses the dangers of developing a love for money and material things. This is because a love for the temporal things of this world will effectively choke our love for God. It is quite impossible to set our hearts on eternal things when we are engrossed with the fleeting things of this life.

This is probably a greater challenge for those who of us who are living here in North America. Many of us have come to Canada for the primary purpose of having better economic opportunities. While this isn't necessarily wrong, we can easily fall into the trap of centering our affections on such things while our spiritual lives begin to dwindle. Take a moment to reflect on your life and determine if Jesus is at the center.
