Local Church Budget

The water's edge. Pastor and Mrs. James Hoffer once lived in St. Joseph, Michigan, just a mile or so from Glenlord Beach on Lake Michigan. When they moved there in 1989, there was a nice swimming area and sandy beach. Now, due to shoreline erosion, there is nothing. Over the years, erosion has claimed whole houses and radically altered the landscape. Barriers prevent people from venturing too close.

What causes erosion? The gentle and incessant lapping of water, the prevailing westerly winds, the action of rain and snow beating down—all have their effect. When roots or foundations aren't deeply secure, the elements slowly but surely wreak disintegration, and sand, rocks, and even structures topple into the lake.

This process is exactly what happens when little indiscretions and the world's influences begin eating away at our Christian foundation. We don't notice the erosion until it's too late. That is why we are encouraged with these words: "Just as you received Christ Jesus as Lord, continue to live in Him, rooted and built up in Him" (Col. 2:6, 7). It is the daily commitment and attention to your root system that will keep your life standing tall and strong.

Today's offering is for Local Church Budget. Help us help others come to Jesus and stay close to Him. And prevent spiritual erosion!
