## It Is Written Canada

For a long time, Emma had pushed her friends and family away. Her husband remained calm, patient and thoughtful, but the greater his tenderness, the more enraged she became. After, 40 years of being married to the most loving man, the truth sank in: a dark void possessed her heart, and its influence grew by the day, but she had no idea how to fix it.

One Saturday morning, Emma found herself watching TV, desperately searching for answers. The couple on the screen drew Emma's attention. "If you read a chapter a day from the Bible, it will change your life," she heard Pastor Mike Lemon say. "I can do that!" Emma uttered. After buying herself a Bible, she started reading a chapter a day, starting with Genesis, and as the months slipped by, an unbelievable transformation occurred. Emma's headaches subsided as she slowly let go of her destructive habits; she then became less and less confrontational with her husband and found herself apologizing for her irrational behaviour, which she would never have done in the past.

Emma confessed: "It is truly exciting to see what has happened to my life after reading this wonderful book, the Bible. What a blessing God has given me, and it is even more of a blessing to be able to watch *It Is Written Canada* every Saturday morning. I praise God for your program!
