Burman University

Once a year there is a special offering designed to benefit our Seventh-day Adventist University in Canada – Burman University. With students from every Canadian province, much of the US and abroad, Burman is very representative of our church in Canada and our world church. Many pastors, teachers, evangelists, administrators and church members across Canada are proud of their connection to Burman. Please support your university in Canada as our young men and women study, work and live together on a vibrant and diverse campus, striving to fulfill their goals.

Your gift today is appreciated and needed. It will be carefully used and will make a difference in the lives and successes of our young people. Our goal this year is \$100,000 – which is about \$7 per family across Canada if all participate. An investment in our youth is an investment in eternity.

If you are not prepared to give today, please take note of the special envelopes provided for future giving. Thank you for your financial support and for continuing to lift up the students, faculty and staff of Burman University in your prayers! May you be blessed now and in the future, as you support Burman University students, as they are being trained for lives of service.
