### **JESUS DESERVES OUR BEST!**

As the Christmas season approaches, we are once again reminded of the greatest gift ever given to man – the gift of salvation through the first advent of Jesus, the purpose of which is to communicate God's ultimate expression of agape-love: Jesus dying on the cross to redeem us from our sins!

Jesus is God's greatest gift for all of mankind. In Christ, God has given the best of Himself to us! He withheld nothing back in order to give us what we needed the most – forgiveness of sins and justification that brings righteousness into our otherwise unrighteous and sin-filled existence.

That's why God requires no less than the best that we can offer to Him as well. In other words, He deserves our best! We need to know that when we give less than the best that we can offer Him, we are depriving ourselves, not God, of the blessings that comes from having a solid faith/trust relationship with the God who only wants the best for His children!

Romans 12:2: "I beseech you therefore, brethren, by the mercies of God, that you present your bodies a living sacrifice, holy, acceptable to God, which is your reasonable service."

1 Corinthians 10:31: "Therefore, whether you eat or drink, or whatever you do, do all to the glory of God"

These two verses challenge us to give of our best to Jesus always. Whether it's about the use of "our" time, talents, treasure, these all should be offered and used for the greater "glory" of God!

When we give Him our best, we don't shortchange ourselves of the blessings that comes from having a dynamic and living connection with the God who has been gracious and faithful not only in giving to us what we need in this life, but also gracious and faithful in giving to us what we need for eternal life!

Yours in His love and service,

Pastor Jesse Anunciacion
