BRINGING OUR CHILDREN TO THE LORD

We give praise and give glory to God for His goodness in giving us the privilege to be involved in the nurture and faith development of our children. The saying, "It takes a village to raise a child" has been widely quoted and when examining the partnerships required especially during the growing up years of our children, our "village" has never been more necessary than it is today. We live in a fast-paced, technologically-advanced, and pressure-packed world. Today's children are faced with a slew of both challenges and opportunities and Christian parenthood can be a daunting undertaking at times.

The church is such a "village" where partnerships and supports are formed to build a solid foundation for our children in preparing them for eternity in God's kingdom. We also recognize that it is our sacred responsibility to train them for a life of committed service to the Master while still in this earth!

As such, we are committed to continue to partner with the family in doing all that we can to be faithful to the task of bringing all our children to the Lord. Over the last 6 nights, we were able to spend precious moments with our children through our Children's Week of Prayer and we would like to thank our guest speaker, volunteer Youth Pastor at 1st Fil-Can church Bro. Ire John Echavez for serving our little children through simple yet dynamic nightly presentations of the gospel.

We commend the work of our Fortifier team and the Children's Ministries for the effort put forth in these nightly meetings. May the Lord continue to honour the countless hours on your knees as you prayed for blessing in this ministry in a way that will impact the lives of our children for eternity!

As we conclude our Week of Prayer today, let us be reminded of this important admonition:

"Too much importance cannot be placed on the early training of children. The lessons that the child learns during the first seven years of life have more to do with forming character than all that it learns in future years." CG 193.

Yours in Christ's love,

Pastor Jess Anunciacion
