Local Church Budget

When we serve, we create a better future. Shellie and her two children walked into a local library. She struck up a conversation with another mother who also had two children of similar age. A friendship ensued. A few months went by and Shellie learned that her friend struggled financially, living paycheck to paycheck.

The Lord impressed Shellie, a nurse, to help. She talked with her husband and they decided to purchase a few boxes of diapers and clothes, and send them to her friend anonymously. They learned that the struggling mother did not have any means to purchase the much-needed diapers. The gifts could not have come at a better time.

Despite desiring to remain anonymous, Shellie and husband were discovered and were thanked for their kindness. Such acts of kindness are examples of how we can serve and, in the process, create miracles in other people's lives.

Today, single-parent households are one of the fastest growing demographics. Single parents live in our local communities; working, shopping, and eating.

When we are faithful in our giving, we serve the needs of our local communities such as single-parent households. Let us give generously today to our local church budget.
