CHURCH BUSINESS MEETING

The “Ber” months are upon us and we are again in the homestretch of another year. What have we accomplished thus far as a church? Are we still on target in reference to our stated goals for the year? Are we able to implement and execute our strategic plans properly and on time? Are our activities positively impacting and affecting the lives of people within and outside the borders of our church, as it should? Are the end results of our busyness directed to the fulfillment of our ultimate goal as a church?

We have four months left this year and we need to take stock and continue to make an earnest effort to maximize our potential in fulfilling our stated goals as we head towards the close of this year.

Our Business Meeting this afternoon is intended to communicate to our church family everything that we have done thus far as a church. We will hear progress reports from our ministry leaders, financial report from our Treasurer and membership report from our Clerk. We also intend to hear about our plans yet to be implemented in the next four months as per our Strategic Plans and our expectations for every member of this church in terms of our Total Membership Involvement directives from the General Conference.

Of course, we will also listen to feedback from our members as to how we can continue to improve our efficiency and effectiveness in the way we do ministry as a church.

In this regard, I enjoin all members of our church to come and be a part of our session this afternoon at 2:00 p.m. While the Lord is yet giving us time and opportunity, let us do our best to serve Him and allow His grace to lead us in expanding His kingdom where we are.

May the Lord bless us with His mighty presence as we worship and serve Him today in Spirit and in Truth!

Yours in His love and service,

Pastor Jesse Anunciacion
