Pictures taken at Murphy Adventist Christian School are part of the school's many projects (school newspaper, yearbook, public relation articles, school website, etc.). These pictures not only advertise the activities of our school but they also help preserve the history of our school. The pictures are saved on the server of grades 5-8 classroom, on individual computers, on CDs, and personal photographs.

Understanding the purpose of these pictures, I grant Murphy Adventist Christian School permission to use pictures of my child/ren for purposes connected with our school.
