Announcement/Nature Nuggets

- 🌸 **Our Church Business Meeting** is scheduled for Saturday, December 4, at 7 pm. We plan to discuss and make decisions on the completion of our gymnasium project, and we will have a report from an essential part of our Church Ministry, our own Omak Adventist Christian School. Let's pray for this meeting and plan to participate in it.
- 🌸 **Nature Nuggets:** The male red fox is a devoted father. As soon as the pups are born, he works to bring food to the nursing female. Once they're three months old, they need to learn how to hunt their own food. People have seen fox fathers bury food close to the den to teach the young how to look for food. Once a biologist saw a male fox playing ambush with the young ones, likely wanting to teach them to get away from coyotes. The devotion the fox shows to his young is a little picture “of our Heavenly Father's devotion to His children. He loved us so much that He gave Jesus to die in our place, and now He calls all of us His sons and daughters: ‘Behold what manner of love the Father has bestowed on us, that we should be called children of God!’ 1 John 3:1.” Paraphrased & Quoted out of “A World of Wonders” by Pastor Doug Batchelor. Scripture NKJV.
