

STUDENT GENERATED RESPONSES:

Our mission is "to nurture young people in a relationship with Jesus, to educate them for a life of service, and to train them to take the gospel to the world." Everything we do is for this purpose but it is not an easy training process. It will be difficult at times. OHA is not a perfect place: the program is not perfect; the staff are not perfect; the other students are not perfect and often have the same challenges and struggles that any young person has. There may be schools with better academics, better facilities, better technology and media access, better "social life," and even "better" food (although each of these may depend on who is judging). What we want to know is, "Why do you want to attend OHA next year?" Please respond to each of the following questions. We would like to know what you believe and how you feel about them as they relate to various aspects of the Ouachita Hills Program.
